## Railroad Strike Off

Brotherhood Leaders Send Out Notices to Chairmen All Over Country

(By Associated Press)  
Cleveland, Oct. 28.—Secret code messages to the general chairmen directing them to notify the local chairmen the proposed railroad strike was called off at the Chicago meeting last night, were sent out today from the general offices here of the trainmen, engineers and firemen's brotherhoods.

### The First Report

Chicago, Oct. 28.—The rail strike, scheduled for October 30, was averted last night when leaders of the switchmen, trainmen, conductors, engineers and firemen at a joint meeting adopted resolutions withdrawing authorization of a walkout and officials of the railroad telegraphers' organization announced they would take similar action.

These were the only unions which had authorized a strike. The vote calling the strike was unanimous by organizations, W. G. Lee, president of the Brotherhood of Railroad Trainmen, announced. The official wording of the resolution adopted was that "the strike is declared not effective."

Unofficial reports were that the firemen's executives had strenuously opposed adoption of the resolution. None of the presidents would confirm this, however.

Lee Sheppard, president of the Order of Railway Conductors, said that the unions had decided to call off the strike because of "the growing public opinion that the strike would be against the labor board, and consequently the government and not against the railroads."

"It was evident, also, that the entire Washington administration was opposed to us and that we have had little chance of gaining our objectives," said Mr. Sheppard.

"We declared the strike to gain certain rights to which our men were entitled," Mr. Sheppard told the Associated Press.

"It soon became evident, however, that the roads were succeeding in their misleading propaganda to the effect that we really would be striking against the government."

"This railroad propaganda has found its way to the United States Railway Labor Board. This governmental agency told us that it would look into the strike as against it and the government and not against the roads, and the full force of the government would be brought to bear against us if we walked out. Under such circumstances, there was nothing to do but annul our orders for the October 30 walkout."

## JUDGE A. D. FORD DIES AT LANCASTER

Judge A. D. Ford, for 12 years county judge of Garrard county, died at his home in Lancaster, Thursday night of paralysis. He was 65 years old, a member of the Methodist church and was held in highest esteem by every citizen of the county. Surviving him are one daughter and two sons, and three brothers. Funeral services will be held at the Methodist church in Lancaster Saturday morning at 10 o'clock.

## Bomb Plot Rumor at Church Proves Untrue

(By Associated Press)  
New York, Oct. 28.—The customary action of church authorities in clearing the edifice in order that ticket holders only could be present, gave rise to a bomb plot rumor at St. Patrick's cathedral here today, when Rev. Joseph Dunn was consecrated bishop. It was stated the presence of detectives at the ceremony had no significance.

## SAPIRO TO SPEAK IN GARRARD SATURDAY

Madison Growers To Hear Marketing Expert Again—4,000,000 More Lbs. Signed

A number of Madison county growers along the Garrard border are planning to go to Lancaster Saturday and hear Aaron Sapiro talk again on the tobacco marketing plan. Sapiro makes the proposition so clear that there can be no possible argument advanced against the plan to help the growers.

With about four million pounds of tobacco added to the pool as a result of three days' work over the hilly district, more than 3,500,000 pounds of tobacco were signed up Wednesday at two meetings, one at Williamstown, Grant county, which was addressed by Congressman J. Campbell Cantrell, and the other at Elkton, Meade county, at which James N. Kelsoe, the hilly tobacco growers resumed their drive this week for the remainder of the necessary acreage to make their pool for 1921 a success, with a number of largely attended meetings.

Mr. Sapiro on his return to Lexington Saturday from Lawrenceburg, spoke in behalf of the marketing plan before the Woman's Club of Central Kentucky. Mrs. E. L. Hutchinson took the "anti" side of the proposition and made a brilliant speech in opposition to the application of the principle to the marketing of tobacco in Kentucky.

At the Woman's Club meeting Mr. Sapiro sketched some of the facts on which the movement is not new, but has been in Denmark for 60 years. He said the movement started in California in 1894 with two associations and that now 21 of these associations are in operation in that state.

Mr. Sapiro told of the spread of the movement to all the South and Southwest. He took Swift's corporation as an instance of the successful distribution of foodstuffs and the utilization of by-products. He said the corporation made money and satisfied its stockholders.

Discussing what would be the result if Swift & Co. sent its products to its stockholders to be sold on the resulting chaos, he said this was exactly the method by which tobacco was marketed. He said that 85 per cent of American business was conducted on a corporate basis or group production.

Mr. Sapiro told of the problems that were solved by group production, transportation and grading and supply and said the co-operative associations "merchandized their products. He told of the plan of organization of these associations on long-term contracts so that a well organized machine may be developed to handle the product, which the growers agree to deliver to the association.

### Eggs Get Fancy Prices

Mr. Sapiro told of the success of the poultrymen of California, with 2,400,000 hens signed up by the members and a production of 12,000,000 dozen a year. He told how these eggs, handled carefully by the association, were sold above the market in New York and even in England. Only poultry raisers are allowed to be members.

He told how the co-operative associations increased consumption by national advertising at

## MRS. WILLIAM RODES NEW D. A. R. REGENT

Final Session of Convention Is Held At Frankfort—Much Business Done

Frankfort, Ky., Oct. 28.—Mrs. William Rhodes, Lexington, was elected regent and the place for the 1922 conference of the organization left to the executive board at the closing session of the annual conference here Thursday of the Kentucky Daughters of the American Revolution. A resolution that the society adopt the old Capitol building at Frankfort as a permanent meeting place, was voted down.

Twenty chapters contributed \$1,779 toward the memorial school to be established at Hueysville, Floyd county. Chapters which made no voluntary contributions today signed their intention of taking the matter up at the next chapter meetings.

The Bryan Station chapter, of Lexington, topped the list with a contribution of \$175. This chapter, as well as the Jemimah Johnson, of Paris; Logan Whitley, of Sanford; Booneboro, of Richmond; and Sennah Hart Shelby chapter, of this city, had contributed \$150, but each was enabled to increase the subscription to \$175 by the contribution of \$25 made by Mrs. C. C. Patrick.

The conference adopted the resolution of Mrs. James A. Leach, of Louisville, chairman of the preservation of flags committee, endorsing the movement for federal and state laws for the protection of the flag. The 1921 General Assembly will be asked to pass a law for the protection of the flag in this state.

Besides Mrs. Rhodes, officers elected were: Mrs. John W. Chennault, Louisville, vice-regent; Mrs. Lucien Beckner, Winchester, recording secretary; Mrs. Victor K. Dodge, Lexington, corresponding secretary; Mrs. Stanley Reed, Maysville, treasurer; Mrs. E. G. Boone, Paducah, historian; Mrs. Eugene Ray, Louisville, registrar; Miss Esther Burch, Stanford, librarian; and Mrs. Jasper Muir, Bardonia, chaplain.

Miss Julia Spurr, chairman of the committee on preservation of historic spots, read a paper at the morning session giving a brief account of historic spots which have been appropriately marked different chapters. She urged the daughter to adopt the suggestion made yesterday by Mrs. George Baker, of this city, to erect a monument in the D. A. R. lot in the Frankfort cemetery. This morning it was announced that more than \$200 had been raised toward the monument fund. The lot was presented to the Daughters of the state by the Frankfort chapter.

Three change were made in the constitution and by-laws of the society as recommended by the committee headed by Mrs. Charlton Alexander. The changes increase the amount to be paid by each chapter for each member from 20 to 25 cents; make each regent an honorary state regent for life, and give the state regent the power to fill all offices by appointment, should vacancies occur.

A resolution offered by Mrs. Lucien Beckner, of Winchester, providing that all of the state conferences be held in this city, were rejected during the closing hours. Mrs. Beckner offered the resolution at the suggestion of H. V. (Continued on 2nd Page)

utilized by-products, besides developing new market until "there are months to eat every pound we produce."

Mr. Sapiro said that in the old days the producers of dried fruit got 8 per cent of the consumer's dollar. Under co-operation the producer received 48 per cent, he said. Eighty per cent of the organized growers, he said, made money, while 80 per cent of those outside the co-operatives lost money.

Illustrating the prosperity and good effects that follow co-operative marketing, he told of the large attendance from the rural districts at the University of California. He said under the old system Kentucky was not getting any return in culture, as in California.

He said the tobacco growers simply proposed to introduce business methods into the handling of their crops.

## FOCH ARRIVES FOR LEGION CONVENTION

(By Associated Press)  
New York, Oct. 28.—A mighty bombardment of cheers greeted Marshal Foch when he arrived here today on the steamship Paris.

Can't Visit Louisville (By Associated Press)  
Louisville, Oct. 28.—A radio message from Marshal Foch to Arthur Kroek, editor of the Louisville Times, regretted that he could not visit Louisville on his trip to America.

Pershing Arrives, Too (By Associated Press)  
New York, Oct. 28.—General Pershing, who is returning from France where he conferred the Congressional medal of honor on unknown soldiers of France and Great Britain, reached port today in ample time to greet Marshal Foch, who was due later in the day on another ship. Foch is coming to attend the Kansas City convention of the American Legion, after leading to victory ten million soldiers in the greatest struggle of all time.

Centre-Harvard Game Returns

Local fans have made arrangements to get returns on the Centre-Harvard game at Boston Saturday, play by play. The public is invited to meet at the Court House in the lower court room where the news will be read as each play takes place in the stadium. The news will begin coming in about 1:30 o'clock. It is planned to have a blackboard on hand that each play may be graphically represented and that the crowd may know the position of the ball on the field.

## WILL HAYS HURT IN TRAIN SMASH

(By Associated Press)  
New York, Oct. 28.—Postmaster General Hays and a score of passengers were injured early today when the Pennsylvania express from Washington struck the rear of a local train in a fog at Jersey City. Hays was hurled to the floor from his sleeper. Aside from strained muscles he suffered no harm.

## MADISON HI AT LANCASTER FRIDAY

Madison Hi plays the Lancaster eleven at Lancaster Friday. The locals are scrapping a team together that they feel can lick Lancaster, although Lancaster is considered to be one of the best teams in this section of the state. Lancaster defeated Normal Hi in the early part of the season by a score of 1 to 0.

Madison has been putting in some hard practice this week to master its weak points that were shown in the Hustonville game. They also have to fill two vacancies on the regular team since they will be minus the services of T. Stone and Claude for most of the remaining season. The Madison boys, however, are going about their work with a winning spirit and are sure to give a good account of themselves in the Lancaster game. Frank Hucker, captain of the Madison eleven, has been shifted to the quarterback position from end and gave good account of himself in the Paint Lick struggle. Hugely Wilson and Anderson will more than likely compose the remaining back field positions. These lads have shown up well, most of the season but they will still have some room for improvement, as most every member of the High School team has.

This is Madison's first of three games on foreign fields and Normal Hi also plays away for the next two weeks.

## HAS GROWN LARGELY UNDER GRACE OF GOD

Calvary Baptist Church's New Home To Be Formally Dedicated Sunday, Oct. 30

The new Calvary Baptist church will be dedicated next Sunday, October 30th. There will be all-day services with dinner served on the ground. The usual Sunday School will begin at 9:30 a. m. Prof. John L. Hill, of Georgetown, will teach the Men's Bible class. Rev. J. H. Reynolds, former pastor of the First Baptist church, who organized Calvary Baptist church, will give a brief historical address on "How Calvary Church Began" at the close of the Sunday school hour. He will tell of the meager beginning of this church and its development. The dedicatory services will begin promptly at 11 a. m. Rev. J. W. Beagle, of the State Board, will preach the sermon. In the afternoon Messrs. Luther Mize, Wm. Royce and D. C. Sparks will be ordained the first deacons of the church. Prof. John L. Hill and Rev. J. R. Reynolds will be the speakers at that service.

On Saturday the Executive Board of Tate's Creek Association will meet with the Calvary church. A special service will begin at 9:30 a. m. Lunch will be served at noon and the business session of the board will convene at 12:30 p. m.

Calvary Baptist church has a very interesting and marvelous history. It had such a small beginning and has prospered under such unthinkable circumstances, that it may be called a twentieth century miracle, which stands as a living monument to God's grace and power. Below is given a brief sketch of its history:

In March, 1916, Rev. J. R. Reynolds, then pastor of the First Baptist church of this city, secured a vacant store building on Estill avenue, opposite the E. & N. railway station, in which he organized a Mission Sunday School to meet each Sunday afternoon, using two of his members for teachers. At the first meeting there were only five children present. But the school gradually increased until the small store building could not accommodate it. It was then divided into two separate Sunday Schools. A Children's Sunday School met at 9:30 a. m. of which Mrs. J. R. Shaw was superintendent and teacher of the junior boys and girls, and Miss Jessie Rigo taught the primary class. An adults' Sunday School met at 3:00 p. m. of which Rev. Reynolds was superintendent and teacher of the men's Bible class, and Mrs. R. G. Stott taught the ladies' Bible class. This work grew rapidly during the fall of 1916 and out of this Mission Sunday School grew Calvary Baptist church.

Rev. R. L. Brandenburg, of Union City, held a revival meeting with Rev. Reynolds at this mission during the entire month of December 1916. There were eleven received by baptism. These expressed a desire to organize a church. Rev. Reynolds and the deacons from the First Baptist church effected the organization of Calvary Baptist church. The names of these desiring to become charter members were taken, and the number increased to eighteen, the increase coming by letter from other churches. Soon afterwards, Rev. Reynolds left Richmond and entered another field of labor. Some of these 18 charter members grew discouraged. The building lot which they had purchased on East Main street was sold and the money given to charity. It seemed that the little church would fail. But some of the members, like Blanche's ghost "would not down."

In January 1917 Rev. B. F. Petty was called as pastor of this little band of courageous Christians. The work moved off nicely under his leadership and on June 14, 1917 they purchased a building lot on Big Hill avenue for which they paid \$375. In the same month Dr. W. W. Horner, of Louisville, held a tent meeting on this lot and there were twenty-two additions to the church. At the close of this meeting excavation for the foundation of a church building began. ## J. CALVIN TAYLOR GOES TO HIS REWARD

Prominent and Respected Citizen and Business Man Succumbs After Long Illness

Mr. J. Calvin Taylor died at his home on Broadway Friday morning at 6 o'clock, after an illness of several months. He has spent most of his life in Richmond, having been in the hardware business on Main street for a number of years. He was a devoted member of the Baptist church, having been one of its most faithful deacons, and never missed a service when he was able to attend. His place, will be hard to fill. He was devoted to his home and family, consisting of his wife, who was Miss Webster, of Cincinnati, and one son, Webster Taylor, to whom the sympathy of many friends is extended in this sad hour. Four brothers also survive the deceased, E. S. and Burgin Taylor, of Deland, Fla.; Cash Taylor, of Illinois; and C. A. Taylor, of Richmond.

Funeral services will not be announced until a wire is received from his brothers, who have been notified of his death.

## CENTRE-HARVARD GAME STARTS AT 1:30

Boston, Mass., Oct. 28.—The Harvard athletic management has decided to start Saturday's game at 2:30 o'clock, instead of 3 o'clock. Last week's game with Penn State started at 3 o'clock, and while it was a game in which there were unusually long delays the finish came in almost real darkness.

In the last quarter, when Penn State was driving up the field, striving to break the 21 to 21 score, none could see what was going on, and the defensive players of the Harvard team were at a tremendous disadvantage as they tried to stop the shift back-field play of their opponents.

The Centre team worked out Thursday afternoon at a Boston high school field, as the train did not arrive in Hultown until 1:30 o'clock. The Colonels were scheduled for a practice session at the Stadium at 1 o'clock.

Owen, Crimson line smasher, who was reported out of the game, had recovered sufficiently from last Saturday's contest to take full part in yesterday afternoon's scrimmage. Jenkins, Gratiwick, Clark and Chapin were among the regenerated cripples on the field yesterday afternoon.

Harvard is not worrying over the Centre game. The coaches and men are pointing ahead to the Princeton contest, which is just one week off. The Centre squad arrived here in the best of shape and in high spirits, confident that it will make a better showing than it did last year.

### Telegraphers Notified

St. Louis, Oct. 28.—E. J. Manion, president of the Order of Railway Telegraphers, today sent a code telegram to the general chairmen or the order on various roads, informing them officially the strike scheduled for October 30 is called off. This completes notifications to the unions involved.

### Notice to Taxpayers

Some candidates try to cover too much territory at one time, instead of thoroughly canvassing a section of town, or soliciting every house on a street they may be working. They jump haphazardly about—retrace their steps, waste time, and then wonder "Why it takes so long to accomplish so little?"

As Ye Sow  
A candidate who wastes time, or procrastinates; who sows hopes, instead of work, will reap an automobile, a vacation, a Victoria, cash, or very much commission.

Opportunity Periods  
Your opportunity to win these five 10,000 Opportunity Coupons will end on November 1st. Do not let this wonderful opportunity pass. Grasp it by turning in as much as \$50 in cash subscription business by November 1st.

Be Ambitious  
The ambitious will not be content with just \$50 worth of subscription business. They will turn in more and will win subscriptions each day until Opportunity Period is no more, as this is by far the most opportune time during this campaign to secure a large volume of votes easy, and get such a lead that you will be hard to catch in the last of the race.

Be a winner, be ambitious, be in the race from beginning to the end.

## BROTHERHOODS SAY IT'S THEIR VICTORY

(By Associated Press)  
Chicago, Oct. 28.—Smiles of relief were written on the faces of members of the Federal Railway Labor Board when it met today to clean up details of the cancelled railroad strike. Hundreds of messages of congratulations poured into the Board's quarters.

Railroad brotherhood chiefs today called the result a victory for men because the Board conceded no further wage cuts will be considered until pending questions before the Board are cleared, thereby postponing the question of a new wage revision for nearly a year. Moreover action on the question of a change in rules is unlikely to become an immediate issue.

## MRS. M'SWAIN LOSES SISTER AT WARSAW

Mrs. Bud McSwain received a wire Monday afternoon announcing the death of an older sister, Mrs. Susie Webb, of Warsaw, Gallatin county. Mr. and Mrs. McSwain left Tuesday afternoon to attend the funeral services, which were conducted Wednesday. Mrs. Webb is survived by her husband, seven children, two sisters and two brothers. Remains were interred in Florence cemetery in Indiana.

## HER LONG SEARCH IS NOW REWARDED

Mrs. Ida Pickett Was Twenty-five Years Trying To Find Relief—At Last Succeeds

Mrs. Ida Pickett, 274 South Division street, Buffalo, N. Y., says: "Twenty-five years is a long time to keep looking for something without finding it, and it's no wonder I almost lost hope. But I finally found what I was hunting—a medicine to relieve me of an awful case of indigestion."

"Tanlac rewarded my search for relief, and I now enjoy better health than I have in thirty years."

Many people on verge of despair have taken Tanlac and recovered. Tanlac is sold in Richmond by Stockton and Son, and leading druggists.

Reports coming to headquarters indicate that fully 90 per cent of the independent vote of Richmond and Madison county is going to support the splendid ticket that the democratic party has in the field for county officers this year. Of course, our republican friends, will deny this, but just wait until the returns are in from the city of Richmond for instance, where there are about 50 registered independents. No party in many years ever offered a higher class of men to assume the responsibilities of managing the people's public business and running it right.

The railroad strike is off and everything is lovely again. Everyone wants the railroad boys to be well paid, of course, but public opinion was almost solid against a strike at this time, when conditions generally are depressed and a strike could only result in further cessation of business, and accomplish no real results.

### KIDNEY AND BLADDER TROUBLES HAVE TO GO

Clogged Up Kidney Deposits Are Dissolved and the Toxins (Poisons) Completely Driven Out. Druggists Will Guarantee It in Every Instance.

"Your very life," says Dr. Carey, "depends upon the perfect functioning and health of your kidneys; so what ever you do don't neglect them."

Dr. Carey's famous prescription No. 777 known as Marshroot is not recommended for everything, but we cannot too strongly urge its use. If you suffer from annoying bladder troubles, frequent passing of water night and day, with smarting or irritation, brick dust sediment of highly colored urine, blotting irritability with loss of flesh, backache, rheumatism or any other tendency to Bright's Disease, Diabetes or Gravel, for kidney disease in its worst form may be stealing upon you.

If you have any of the above symptoms, Kidney and Bladder troubles don't wear away. They will grow up. Don't wait until tomorrow to begin the use of this wonderful prescription, on you slowly, stealthily and with unfailing certainty, who state they have received no benefit.

### CALVARY CHURCH

(Continued from 1st Page)

for a \$6,000 church building were made. On August 28, 1917, Calvary church was admitted a member of Tate's Creek Association, while the Association was in session at the First Church of this city. During Rev. Petty's pastorate the foundation of the present building was laid and the walls of the basement were laid to the floor of the main auditorium. Unfortunately, for both church and pastor, trouble arose over misuse of the building funds and Rev. Petty was required to give up the work in December 1918. Confusion and consternation so shook the little church that again it seemed as if it would go down. But the number of steadfast, faithful ones was larger this time than before and they were more determined that they would not give up.

On June 12, 1919, a call was extended Rev. L. A. Byrd, a student minister of Georgetown College, for half-time services. The call was accepted in August of that year. He found on the church roll some 48 names, but only ten or fifteen of this number could be depended on for real church work. These few, reliable members had a faith that knew no denial. They were determined by God's grace to see the victory won. And God blessed them and used them and rewarded their labors with victory.

The walls were completed in the early fall after Rev. Byrd became pastor. In September, a tent meeting was held by Rev. R. H. Tolle on Mr. J. W. Creech's lot opposite the church. Bad weather and counter attractions made this meeting almost a failure. The work moved on nicely during the winter and in the spring of 1920 the road was put on the building. The first service was held in the new building on March 7, 1920. During the summer the work got down to a very low ebb again. Some who had been faithful got "cold feet" and quit. Another cloud swept over the little church. But a faithful few held on, until relief came. In August, 1920, Evangelist J. B. DeGarmo and Singer Sam E. Elsey held the first revival meeting in the new church building. There were twenty-seven additions to the meeting, nineteen of which were by baptism. This meeting seemed to give the church new life and saved the day. Many of those won in this meeting proved to be fine material for leadership, for which the church had been suffering very much. From that time on the church has been gradually growing in numbers and gaining in spiritual power. In the fall the church was plastered and finished inside and in the spring of 1921 seats were purchased. Though plans were made for a \$6,000 building, it will cost over \$12,000 because it was built during the war when prices of material and labor were at the highest mark. Also, labor was very poor and the church had to accept shoddy workmanship because it could not help itself.

Dr. O. Olin Green and some of his members of the First Baptist church have been loyal friends to Calvary Baptist church. They have given wise counsel and indispensable aid at critical times, and have contributed some money to the cause. For all of which Calvary church owes a lasting debt of gratitude.

Calvary church of Richmond is now an established institution. It is a successful, wide-awake thriving little church, with a nice brick building in which to worship and a membership of more than one hundred. Though it has cost much toil and hardship, and persecution to establish the church, the struggle being long and fierce, those faithful few who have remained true and steadfast through it all may go down to their graves, unknown, unread and unsung by men, but they have won a crown in glory that shall never fade and they have begun a work that shall last when the stars have gone out. Members of this church are, in truth, a noble band of christians. They love God and their fellowmen. They believe the Bible as the inspired word of God and they are willing to die in its defense. They stand for righteousness and truth and against worldliness in every form. A fitting motto for them would be the words of the Apostle Paul when he said: "If God be for us, who can be against us?"

### REED OPENS WAY FOR BONUS BILL AGAIN

(By Associated Press)

Washington, Oct. 28.—Senator Reed in offering an amendment to the tax revision bill today, paved the way for a vote on the soldier bonus bill which the Senate recently laid on the table at the request of President Harding. The bonus bill is the McCumber measure, providing for five-way benefits to former service men.

### Confident, Declares Moran

Boston, Mass., Oct. 28.—The "Praying Colonels" came East again today—the Centre College football team ready to meet the Harvard eleven in the stadium once more. The Kentucky collegians, headed by "Bo" McMillan, arrived with only a few followers and will go into the game Saturday without an organized cheering band having been refused faculty permission to come East.

Coach "Charley" Moran said Centre was confident that its team of this year was much stronger than that which was defeated 31 to 14 by Harvard last fall. Four freshmen will hold places in the Centre line on the opening formation.

### Harding Is Pleased

Washington, Oct. 28.—President Harding, upon his return today from his Southern trip, expressed gratification over the railroad strike being called off and indicated the hope this will be the first step toward reconstruction of the whole railway situation. Members of the cabinet also were pleased.

### Purebred Birds Sell Well

Lexington, Ky., Oct. 27.—Six hundred and fourteen purebred chickens brought a total of \$795 at the first two of a series of twenty poultry sales to be held throughout the state, according to word received here. The sales were in Graves and Henderson counties. More than 400 farmers attended. The proceeds were used to reimburse bankers of the two counties who advanced money to purchase purebred eggs for farmers who in return turned in one pullet for each setting of eggs.

### NOT THE ONLY ONE

There Are Other Richmond People Similarly Situated

Can there be any stronger proof offered than the evidence of Richmond residents? After you have read the following, quietly answer the question.

Geo. O. Parker, carpenter, 339 Moberly avenue, Richmond, says: "I had attacks of kidney complaint that gave me a lot of trouble with sore muscles and back. They came on when my kidneys were out of order. I had dull pains across the small of my back just over my kidneys. I was so lame across my hips that when I bent over I could hardly straighten up and the muscles felt as though they were tied in knots. The lameness in my back was worse

### Chamberlain's Cough Remedy

This remedy is intended especially for coughs, colds, croup and whooping cough. From small beginning its sale and use has extended to all parts of the United States and to many foreign countries. This alone is enough to convince one that it is a medicine of more than ordinary merit. Give it a trial and you will find this to be the case.

## You remember the story of the Pitcher—

It made a good many trips to the well and it came back in good order.

"I can take care of myself," it said—"they don't need to talk about risks to me."

But it went once too often.

After that it was only part of a pitcher, and they didn't need to talk to it about risks—it knew.

A lot of people won't believe coffee can harm them until it does harm them.

"Nonsense!" they say, "it never disturbs me."

When it does disturb them, then they know.

Often the disturbance which they then recognize is the result of irritations to nerves and digestion which have been going on for a long time.

If you have to lie awake at night and count the clock ticks, after an evening cup of coffee, then you know that it's better to be safe than sorry.

The risk of coffee's harm is gone when the meal-time drink is Postum.

Here's a delightful and satisfying table beverage, with charm for the taste and without harm for nerves or digestion. You know you're on the right road with Postum; there's never the possibility that you'll go once too often.

Postum comes in two forms: Instant Postum (in this) made instantly in the cup by the addition of boiling water. Postum Cereal (in packages of larger bulk, for those who prefer to make the drink while the meal is being prepared) made by boiling for 20 minutes.

"There's a Reason" for Postum

Made by Postum Cereal Company, Inc., Battle Creek, Mich.

## Pain In Muscles And Joints Caused By Rheumatism

To Get Genuine Relief You Must Clear Your Blood of Waste Products.

If we could keep our human bodies clean of the poisons which accumulate in them, daily, and give them the full benefit of proper diet, we should live far beyond the average span of human life.

But alas! We realize only too often that we have an excess of waste products in our system. This poisonous waste matter not only causes a lowered vitality and many forms of skin disorders, but it also causes rheumatism—a disease that has no equal for pain. Genuine relief from the agonies of rheumatism can be had only by correcting the basic trouble—waste products.

Thousands and thousands of men and women during the past 50 years have cleared their blood of waste products with S. S. S. It is the ideal remedy for rheumatism, because it removes the poisonous waste matter which is causing the trouble. There are no bad after effects and the result is wonderful. Begin taking S. S. S. today and write for 56 page illustrated booklet, "Facts About the Blood"—free.

Personal medical advice, without charge, may also be had by sending a complete description of your case. Address: Chief Medical Director, Swift Specific Co., 733 S. S. S. Laboratory, Atlanta, Ga. All good drug stores sell S. S. S.

## GIVE A BABY SYRUP PEPSIN

Constipation, biliousness and like annoying ills will quickly disappear

A MOTHER is always anxious to give the easiest and best medicine to a constipated baby, but is puzzled which to select. Let her decide by the ingredients on the package.

Every bottle of Dr. Caldwell's Syrup Pepsin has the formula printed plainly on the outside of the carton under the portrait of Dr. Caldwell, who wrote the prescription in 1892. You will find that it is a combination of Egyptian Senna and other simple laxative herbs with pepsin. It will not gripe the baby, and it is free from narcotics. A bottle sufficient to last a family several months can be had at any drug store, and the cost is only about a cent a dose.

While no one, young or old, need take a drastic purgative like salts or calomel, be especially careful what you give a

child. Some contain minerals, castor oil and other drugs that might prove dangerous by over stimulating the intestines or depressing the heart. The ingredients of Dr. Caldwell's Syrup Pepsin are recommended by the U. S. Pharmacopoeia.

#### Half-Ounce Bottle Free

Free escape constipation, even if you do not require a laxative at this moment, let me send you a Half-Ounce Trial Bottle of my Syrup Pepsin FREE OF CHARGE so that you will have it handy when needed. ## Centers Around Opportunity Coupons

Ambition has raised men from lowest circumstances to the highest pinnacles of fame. This world would be a mighty poor place to live in, were it not for ambition.

The Daily Register Grand Prize and Subscription Campaign is for the ambitious, the thrifty and for those who are willing to put their spare moments to profitable advantage.

For the past four days we have laid stress upon "The Opportunity Coupons." All interest in this campaign from now until November 1st, centers around these coupons. We realize that for one to take advantage of the five Opportunity Coupons, amounting to 50,000 extra votes, one must have ambition, energy, perseverance, and stick-to-it-iveness. It is a known fact that ambitious people who strive to reach the top of the ladder, while they may not always succeed, do land somewhere along the middle. Those who lack the above mentioned quality never climb higher than the first few rounds.

At the present moment the top of the ladder is the obtaining of five OPPORTUNITY COUPONS. If you try for five you will at least secure one or more of these valuable Coupons. If you try for one only you may not even secure that one.

The advantages of these coupons are numerous:

1—They positively possess the greatest vote value that will be given during the entire campaign.

2—They will positively be withdrawn November 1st.

3—Those obtaining one or more of these Coupons can rest assured they will have a comfortable lead over candidates who enter at a later period.

4—By informing your friends that you have succeeded in securing one or more Coupons, they will know you are out to win and will give you their support.

There are many persons who would like to enter this campaign, but who are a trifle timid or do not fully understand its details. Again we say, all you have to do to enter, is to fill out the Nomination Coupon, appearing on this page, and send the same to the Daily Register. Better still, bring it yourself and talk over the matter with the Campaign Manager, whom you will find ready to assist in any way possible.

The campaign is in its infancy; in fact it has not even started well.

Doubtless you have been keeping in touch with the campaign, reading all the publicity since the opening announcements. You should bear in mind that a campaign of this magnitude requires an abundant amount of detail work, hence our previous efforts have been devoted solely to preliminary preparations.

Now, "Candidates to be," remember there is yet plenty of time for ambition and energy to assert itself; therefore, take advantage of the Opportunity Offer and get an even start while "Opportunity Period" is on.

The campaign will be over in five short weeks, and 2 automobiles, 1 Edison and 1 Victrola, together with a liberal cash commission, will be awarded to those who have shown pluck and ambition and have helped Madison county's enterprising daily.

In conclusion, ask yourself the following questions:

Are the prizes worth making a determined effort to win?

Could you spend your spare moments to better advantage?

Is this not the most liberal offer ever made by a newspaper in this vicinity?

## IT STARTED SOMETHING

"Your medicine is the talk of the town since pulling me from the grave. I have told dozens about it and I know of at least ten who are now taking May's Wonderful Remedy, all with good results. I never say anything like it. One man who had been operated on for gallstones and had them come back, took it and says his symptoms are all gone now and he 'wears his pants' in a simple, happy preparation that removes the intestinal mass and allays the inflammation that causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded."

## D. A. R. CONVENTION

(Continued from 1st Page)

McChesney, who, on behalf of the Kentucky State Historical Society, invited the conference to meet here annually.

In her resolution Mrs. Beckner provided for the creation of a state fund to defray the expenses of the annual conference.

The resolution was offered just before the conference adjourned and Miss Julia Spurr and Mrs. Jos. Beard, of Lexington, thought that final action on so important a decision should be deferred until it could be given careful consideration by more Daughters than were present at the closing hour.

Mrs. C. C. Calhoun, of Washington, D. C., chairman of the Woman's National Foundation Fund, addressed the conference at the afternoon session in behalf of the foundation fund for the erec-

tion of a building in Washington, which will be a centralization point for women, a clearing house or open forum for the expression of everything that pertains to women.

Kentucky, she said, had produced many brave and noble women none more so than Mollie Decha, who founded or helped to found the Daughters of the American Revolution, and Madeline McDowell Breckinridge, the state's pioneer in the cause of suffrage. The memory of these women, Mrs. Calhoun declared, should be commemorated in the Woman's National Foundation.

The Kentucky Daughters of the American Revolution today were incorporated, a charter being issued by Secretary of State Fred A. Vaughn. The action was taken by the retiring state regent, Mrs. J. M. Arnold, of Covington, and other officials, in order that the organization might hold pro-

perty in the state, including the mountain school being established by the organization at Hueysville. It also is planned to acquire and preserve historical buildings and sites in the state.

Other incorporators of the organization, which has no capital stock, were Miss Emily G. Morrow, Paducah; Miss Elizabeth Grimes, Paris; Mrs. John Herring, Georgetown; and Mrs. F. C. Townsend, Ashland.
